Orka Skeletor

The Orka Skeletor is a game-changing slim shad soft lure crafted with high precision to mimic the natural, fluid movements of a real baitfish. Featuring a unique, segmented "skeletal" body design, this lure offers maximum flexibility and a lifelike swimming action that attracts even the most elusive and pressured predators. Available in 5 cm, 7 cm, and 10 cm, it is the perfect finesse addition to the tackle box of both professional anglers and passionate hobbyists.
